

LEED®-NC 2.2 Documentation

Credit MRc5.1 and 5.2 – Regional Materials – 10% or 20% Extracted, Processed & Manufactured Regionally

Valued LEED Partner:

The Stanza Wall System is a non-load bearing demising wall that is recovered, processed, and manufactured in Grand Rapids, MI and Chicago, IL. Forty-seven percent (47%) of the weight of the wall system comes from Grand Rapids, MI, and fifty-three percent (53%) of the weight comes from Chicago, IL.

Locations within 500 miles ("as the crow flies") of Grand Rapids, MI can apply 47% of the dollar value of the Stanza system toward this credit, while locations within 500 miles of Chicago, IL can apply 53% of the dollar value of the Stanza system to this credit. Locations within 500 miles of both Grand Rapids and Chicago can apply 100% of the dollar value of the Stanza system toward achieving this credit.

We verify the claims about the Stanza Wall System in this letter to be true. This document is correct as of the date listed and will be updated only when/if the product changes.

Signed,

Shannon Near
